BREEAM

The units have been constructed to achieve a BREEAM ‘Very Good’ environmental rating.

The BREEAM assessment process evaluates the procurement, design, construction and operation of a development against targets that are based on performance benchmarks. Assessments are carried out by independent, licensed assessors.

Rating

The Valuation Office Agency website describes Unit R1 - R2, R5 - R10 as Warehouse and Premises with a 2019 List Rateable Value of £9,200. The national non-domestic rate (NND) for the current (2019/2020) rate year is 49.1p in the £.

Unit R is located within an area in which qualifying companies can benefit from Business Rates discounts of up to £275,000 over a 5 year period. Based on the current RV and NND rate in the £, this would result in Zero Business Rates being payable for Unit R for the next 5 years.

Location

Carlisle is the regional centre for Cumbria and south west Scotland with a resident population of circa 85,000, but with a much wider catchment area. Kingmoor Park is the premier business park/industrial estate within the city comprising over 2,000,000 sq ft of existing buildings in 400 acres of landscaped grounds. Kingmoor Park is located 2.5 miles north of Carlisle city centre, adjacent to the M6 at Junction 44.

Situated on Kingmoor Park Central these new build units will benefit from excellent access to both the M6/M74 and the adjacent Kingstown Industrial Estate. The property is located in close proximity to the A689(W) (Carlisle Northern Development Route).

Significant occupiers already located at Kingmoor Park Central include global parcel delivery company UPS, Clark Doors, Cubby Construction and Coultons Bread. Kingmoor Park was awarded Enterprise Zone status in April 2016.
